## Packages

### **Invacare® Top End® Force™-3 Cross Country Off Road Handcycle Package**

can be ordered with a trunk-powered position short back, aggressive knobby tires and a V crankset that has a 44 – 34 – 22 chain ring to help you power up the hills. The 26 – 559 wheels can accept both cruiser or knobby tires! This package will take the place of the Invacare® Top End® Force™ CC Handcycle and offers great value.

**Invacare® Top End® Force™-3 Trunk Power Handcycle Package** is configured by adding the straight back style/ trunk- powered position back, the standard 26 – 559 cruiser tires and the V crankset with chain rings that are 48 – 39 – 24.

**Invacare® Top End® Force™-3 with BionX® Power Boost Handcycle Package** is a great option for people who need just a bit of help for climbing hills or getting back from a long ride. The BionX power boost can provide 25%, 50%, 75% or 100% assist.
