Walkabout Four-Wheel Imperial Rollator

The Lumex Walkabout Four-Wheel Imperial (Bariatric) is ideal for larger individuals. Similar to the Walkabout Lite, this rollator offers a comfortable, lightweight and affordable solution to mobility. Designed with an aluminum frame, this lightweight rollator weighs 20 lbs and supports a maximum weight capacity of 450 lb - **EVENLY DISTRIBUTED**. The Walkabout folds quickly and easily into a compact unit for storage and transport.

Features

- Ergonomic hand grips
- Easy to operate locking and "quick stop" loop brakes (pull up to stop; push down to lock)
- Padded 20" wide seat for increased seating surface and added comfort
- Removable padded backbar
- Adjustable handle height to accommodate broad range of user heights
- Durable, heavy duty 8" wheel for indoor and outdoor use on even terrain
- Basket included that can be placed underneath seat for carrying of personal items
- Designed to meet the requirements of HCPCS codes: E0149 & E1056
- Includes easy to read, retail-friendly user manual
- Five (5) year limited warranty

And now with added rear reflectors that increase visibility at night!
